DIRECTORY
2013-2014***

***DISTRICT COMMITTEE CHAIRS
MULTIDISTRICT OFFICERS***

Revised 27 August 2013

How to Use This Directory (EN)

The Youth Exchange Officers Directory is intended to facilitate communication between Youth Exchange officers and may only be used for Rotary Youth Exchange purposes. The directory shall not be made available or distributed by Rotarians, clubs or districts for any commercial purpose or for the purpose of circularization in either electronic or printed format. (*Rotary Code of Policies* 11.030.6). The directory includes the following information:

Non-certified Districts

Page 9

Non-certified districts are not permitted to initiate any exchanges. Districts that have become non-certified may continue with exchanges that were planned or underway when the district was certified. Districts that successfully fulfill the requirements will be certified and advised of their change in certification status. Please refer to the most recent directory or contact RI staff if you are unsure of a partner district's certification status. Any district that plans an exchange with a non-certified district jeopardizes its own certification status.

Did one of your partner districts recently become decertified?

If your district has an exchange planned or underway with a district that recently became non-certified, please contact RI staff. After consulting with the student's parents, your district may continue the exchange as planned in order to avoid penalizing the student.

Certified District Contacts

Page 10

Districts listed in this section have met the minimum requirements for certification and may participate in Youth Exchange. Next to each listing, **district-specific notes** may be provided in the right-hand column to indicate important details regarding their certification, such as:

Alternatives: Due to differences among the legal systems of countries served by Youth Exchange, some districts have been certified with alternatives to specific requirements.

Outbound-only Certification (◆): These districts have met the minimum requirements for outbound-only (or one-way) certification, and therefore are prohibited from hosting students.

Multi-country Districts (⊙): Some multi-country districts have met certification requirements in only a portion of their jurisdictions. Where applicable, the district-specific notes indicate which countries within the district cannot participate in Rotary Youth Exchange at this time.

A list of translated district-specific note descriptions can be found in the back of the directory on page 120.

Multidistrict Contacts

Page 98

Districts may choose to form or join a multidistrict organization to provide various services and program assistance (RCOP 41.080.21). If you would like to initiate an exchange with a member of a multidistrict, it may be helpful to contact the multidistrict as well as the individual district. In the directory please note that a crossed out district (e.g. 1234) in the multidistrict listing indicates that the district is non-certified.

The information on the following pages is current as of 27 August 2013.

Cómo usar el Directorio (ES)

La *Lista de presidentes de Comités Distritales y funcionarios multidistritales del Intercambio de Jóvenes* se publica con el objeto de agilizar las comunicaciones entre los funcionarios de dicho programa y sólo podrá utilizarse para tales fines. No se autorizará a ningún rotario, club ni distrito rotario a utilizar o distribuir este directorio con propósitos comerciales o de distribución de circulares, ni en formato impreso ni electrónico. (*Rotary Code of Policies*, 11.030.6). El directorio contiene la siguiente información:

Distritos no certificados

Página 9

Los distritos no certificados no están autorizados a iniciar intercambios. Los distritos que hubieran perdido su certificación podrán continuar con los intercambios que ya hubieran programado o estuvieran en curso cuando el distrito contaba con la certificación. Se otorgará la certificación a los distritos que cumplan todos los requisitos y se los notificará al respecto. Si dudara de la situación de un distrito hermanado para un intercambio, le recomendamos visitar el www.rotary.org o consultar con el personal de RI a cargo del programa. Todo distrito que programe un intercambio con otro distrito no certificado correrá el riesgo de perder su condición de distrito certificado.

¿Qué hacer si uno de los distritos hermanados hubiera perdido recientemente su condición de certificado?

Si su distrito ha organizado o estuviera realizando un intercambio con un distrito que recientemente perdió su condición de certificado, contacte de inmediato con el personal de RI. Después de consultar con los padres del participante, su distrito podrá optar por continuar con el intercambio, a fin de que el estudiante no se vea afectado.

Contactos en los distritos certificados

Página 10

Los distritos que figuran en esta sección han cumplido con los requisitos mínimos exigidos y pueden participar plenamente en el Intercambio de Jóvenes. En la columna **Notas para el distrito** de la lista de distritos del presente directorio se indican los detalles importantes respecto de su certificación, tales como:

Alternativas: Debido a las diferencias culturales y de los sistemas jurídicos de los países donde funciona el Intercambio de Jóvenes, se han certificado los distritos mediante alternativas a ciertos requisitos específicos.

Certificación para distritos que envían estudiantes(♦): Estos distritos han cumplido con los requisitos mínimos para enviar estudiantes al exterior solamente, y por lo tanto queda prohibido que reciban estudiantes.

Distritos multipaíses (⊙): Algunos distritos multipaíses han cumplido con los requisitos de certificación en algunas de sus jurisdicciones solamente. En los casos pertinentes, los **Notas para el distrito** indican cuáles países no pueden participar en el Intercambio de Jóvenes de Rotary actualmente.

En la página **121-122** del directorio encontrará una lista con las notas correspondientes a los respectivos distritos.

Contactos en las organizaciones multidistritales

Página 98

Los distritos certificados podrán establecer o afiliarse a una organización multidistrital para brindar servicios y apoyo al programa (*Rotary Code of Policies*, 41.080.21). Si le interesara un intercambio con un miembro de una organización multidistrital, debe contactar con la organización multidistrital y con el distrito en cuestión. Los distritos tachados en la lista multidistrital (p.ej.: 1234) están clasificados actualmente como no certificados.

Utilisation de l'annuaire des responsables Youth Exchange (FR)

L'annuaire des responsables Youth Exchange a pour objet de faciliter la communication avec vos homologues du monde entier et ne doit être utilisé qu'à cette seule fin. L'annuaire ne doit pas être utilisé ou transmis par les Rotariens, les clubs ou les districts à des fins commerciales ou d'envoi de circulaires ou de prospectus, imprimés ou sous forme de courriers électroniques (*Rotary Code of Policies* 11.030.6.). Il contient les informations suivantes :

Districts non certifiés et non participants

Page 9

Ces districts **ne sont pas** autorisés à mettre en place de nouveaux échanges tant qu'ils n'auront pas obtenu leur certification. Ils peuvent cependant poursuivre les échanges prévus ou initiés lorsque le district était certifié. Les districts qui finissent par remplir les critères seront certifiés et informés de leur changement de situation. En cas de doute concernant la situation d'un district partenaire, veuillez consulter le [site Web du Rotary](#) ou contacter le personnel. **Tout district organisant un échange avec un district non certifié s'expose au risque de perdre sa propre certification.**

L'un de vos partenaires vient-il de perdre sa certification ?

Contactez immédiatement le personnel du Rotary International si un district avec lequel vous avez un échange en cours ou prévu vient de perdre sa certification. Après s'être entretenu avec les parents du participant, votre district pourra poursuivre l'échange tel que prévu.

Districts certifiés

Page 10

Les districts listés dans cette partie de l'annuaire ont satisfait aux critères minimum de certification et sont autorisés à participer au programme Youth Exchange. Une colonne intitulée *Notes spécifiques au district* de la partie de l'annuaire listant les districts donne des informations importantes sur la nature de la certification. Par exemple :

La mise en place de critères minimum pouvant varier d'un pays à l'autre du fait des législations, certains districts ont été certifiés en mettant en place des procédures spécifiques en remplacement de certains critères.

Certification Outbound (◆): certains districts remplissent les critères pour envoyer des jeunes à l'étranger, mais pas pour en accueillir.

Districts internationaux (⊙): certains de ces districts n'ont pas pu obtenir la certification pour l'ensemble des pays qu'ils couvrent. Le cas échéant, les notes indiquent les pays pouvant participer au programme.

Une traduction des *Notes spécifiques au district* figure à la fin de l'annuaire à la page 123.

Multidistricts

Page 98

Plusieurs districts certifiés peuvent choisir de former une structure multidistrict destinée à fournir assistance quant aux programmes et services qu'ils proposent (*Rotary Code of Policies*, 41.080.21.). Si vous souhaitez initier un échange avec un district membre d'une organisation multidistrict, nous vous encourageons à contacter cette entité avant le district lui-même. Veuillez noter qu'un numéro de district rayé (ex. : ~~1234~~) signifie que ce district n'est pas certifié.

Como usar este diretório (PT)

O Diretório dos Dirigentes do Intercâmbio de Jovens destina-se somente a facilitar a comunicação entre os responsáveis por esta função, não podendo ser divulgado ou usado por rotarianos, clubes ou distritos para fins comerciais ou para distribuição de malas diretas, sejam em formato impresso ou eletrônico. (Código Normativo do Rotary 11.030.6). O diretório inclui as seguintes informações:

Distritos não-certificados

Pág. 9

Esses distritos não estão autorizados a iniciar novos intercâmbios. No entanto, distritos que não renovaram sua certificação poderão realizar os intercâmbios planejados ou iniciados quando ainda eram certificados. Os distritos que cumprirem os requisitos receberão certificação e serão notificados sobre a mudança de situação. Caso tenha alguma dúvida sobre certificação de distrito, consulte o [diretório](#) mais recente ou entre em contato com o funcionário do RI. Qualquer distrito que planejar um intercâmbio com distrito não-certificado poderá perder a sua certificação.

Algum de seus parceiros perdeu a certificação recentemente?

Se seu distrito tem um intercâmbio planejado ou em andamento com um distrito que recentemente deixou de ser certificado, contate um funcionário do RI. Se os pais do estudante concordarem, o intercâmbio poderá ser realizado conforme planejado para não penalizar o participante.

Contatos de distritos certificados

Pág. 10

Os distritos listados nesta seção atenderam os requisitos mínimos para certificação e podem participar no programa de Intercâmbio de Jovens. A coluna à direita da lista poderá incluir observações específicas ao distrito, fornecendo detalhes da certificação como:

Alternativas: devido a diferenças judiciais dos países, alguns distritos foram certificados com base na aprovação de alternativas a alguns requisitos específicos.

Certificação de distrito exclusivamente patrocinador(♦): estes distritos atenderam somente aos requisitos mínimos para enviar estudantes ao exterior, e não podem recebê-los.

Distritos que englobam mais de um país(⊙): alguns destes distritos atenderam os requisitos de certificação em apenas uma parte de seu território. A coluna com observações específicas indicará quais os países que, no momento, não podem participar do Intercâmbio de Jovens.

Uma lista com as traduções das observações específicas ao distrito se encontra a partir da página **124-125** deste diretório.

Contatos de grupos multidistritais

Pág. 98

Distritos certificados podem formar um novo grupo multidistrital ou juntar-se a um grupo já formado para dar assistência com relação ao programa (Código Normativo do Rotary 41.080.21). Se desejar iniciar um intercâmbio com um distrito pertencente a um grupo multidistrital, contate tanto o distrito quanto o grupo. Obs.: distritos de um grupo multidistrital que têm seu número riscado (ex.: ~~1234~~) foram classificados como não-certificados.

청소년교환 임원 명부 사용 방법 (KO)

청소년교환 명부는 청소년교환 임원들의 활발한 교류를 위한 목적으로 제작되었으며, 로타리 청소년교환 프로그램을 위한 용도로만 사용할 수 있습니다. 본 명부는 로타리안, 클럽 또는 지구에 의해 상업의 목적으로 전자 또는 인쇄 형태로 배부할 수 없습니다 (로타리 정책 규약 11.030.6). 본 명부에는 다음과 같은 내용들이 포함되어 있습니다.

비 인증 지구

9 페이지

비 인증 지구는 새로운 교환 프로그램에 참가할 수 없습니다. 그러나 비 인증 지구로 분류되기 이전에 계획하였거나 진행중인 모든 교환 프로그램은 계속해서 진행할 수 있습니다. 만약 현재 파트너 지구의 인증 상태가 불확실한 경우, WWW.ROTARY.ORG 에서 확인하거나 RI 직원에게 문의하시기 바랍니다. 비 인증 지구와 교환 프로그램을 계획하는 지구는 그 지구 자체의 인증 상태가 실격될 가능성이 있습니다.

파트너 지구가 최근에 비 인증 지구가 되었습니까?

만약 최근에 비 인증 지구가 된 지구와 프로그램을 계획하였거나 진행중인 경우, RI 담당 직원에게 연락을 주시기 바랍니다. 교환 학생을 보호하기 위해 학부모와 상담 후, 지구 계획대로 프로그램을 실시할 수 있습니다.

인증 지구의 청소년교환 임원 연락처

인증 지구 명단에 나와있는 지구들은 청소년교환 프로그램의 최소 의무 규정을 준수하였으며, 청소년교환 프로그램 참가 예상 지구입니다. 인증에 대한 각 지구의 특정 규정이 오른쪽 칼럼에 설명되어 있습니다. 예를 들면 다음과 같은 인증 상태가 있습니다:

다국가 지구의 경우: 다국가 지구의 경우, 국가마다 자체의 법률이 상이하므로, 이에 따른 인증의 조건으로 교환 활동에 참가할 수 없는 특정 국가가 있게 된다.

특정규정 승인 내용은 128페이지 “지구 특정규정” 난에 잘 설명되어 있습니다.
